

Dutch Studio

Collection 2026

COLLECTION 2026

Designed for *exceptional interiors.*

Every table is crafted to order in the Netherlands from carefully selected European oak, primarily sourced from France. Designed for residential, hospitality and workplace projects, our collection combines timeless design with bespoke flexibility.

Crafted in *the Netherlands.*

Every Dutch Studio table is handcrafted in partnership with our Dutch workshop, specialists in solid oak since 2014. From timber selection to the final finish, every piece is made to order and crafted with precision for residential and commercial projects across the UK.

Materials & *Details.*

European oak

Carefully selected, primarily from France.

FSC® certified

Responsibly sourced through our certified Dutch workshop.

Six finishes

Curated oak tones.

Three edge profiles

Architectural detailing.

Bespoke dimensions

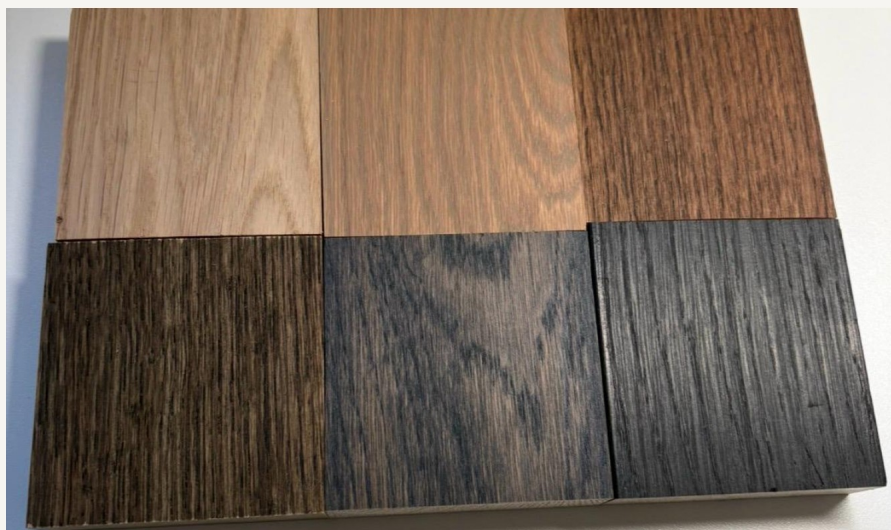

Tailored to your project.

Optional 2K matt finish

Extra durable and protective.

Finishes

*From the pale calm of natural oak
to deep, ultra-matt black.*

Top: Natural, Oak Grey, Oak Brown · Bottom: Oak Black, Charcoal, Black Mat

Natural

An invisible lacquer. The pale, matt look of raw oak, protected against stains and rings.

Oak Grey

A calm, cool grey. The grain stays visible; made for industrial interiors.

Oak Brown

A warm, rich brown. Inviting and luxurious, for modern-classic and country homes.

Oak Black

A deep, opaque black for minimalist and hotel-chic interiors. The grain stays tactile.

Charcoal

Dark grey to anthracite. Softer and warmer than black, with the oak's figure subtly visible.

Black Mat

An intense, ultra-matt black. A crisp design statement with minimal reflection.

Linea

Minimal by design.

Contemporary in every detail.

Forma

*Sculptural. Architectural.
Timeless.*

Orb

*Made for gathering.
Designed for conversation.*

Sculpt Organic

*Naturally expressive.
Thoughtfully crafted.*

Ellipse

Simply elegant.

Quietly confident.

Studio Bespoke

Designed around your project.

Every project is different. We work directly with homeowners, interior designers and architects to create bespoke tables tailored to the space, the brief and the people who use it.
